ABOUT UNNAMED

Stunning Opulence on the water. It's really rare to find a 69' Fiberglass Pacemaker Yachtfisher to come on the market, and when they do, it's typically a ton of money. This beauty is currently owned by a carpenter and an interior designer. It's evident when you walk around on her. This beauty has three cabins including a king size Captain's Quarters and is powered by twin Detroit Diesels . Offered at \$159,995.
