ABOUT KALYPSO

Beautiful classic vintage boat from 1975 rigged in Ketch, 46 feet (14.26 m), unique model born in the Stizi-Toulon-France shipyards, model Altair, designed and engineered by a Naval Engineer from shipyard itself. Ocean-going boat built in mahogany planking crossed on oak frames with three layers of epoxy on the sides. Charming and romantic like a French bistro, internally we find original and intact materials such as mahogany, cork and copper. She is a reliable boat that has already crossed the ocean and the entire Mediterranean several times in total safety due to her structural and technical characteristics. Very comfortable boat with a nice livable square both in terms of height and width (DINETTE) with kitchenette. She is also very comfortable when sailing thanks to the not too high...
