ABOUT 1989 JONMERI 48 PILOT HOUSE

The Jonmeri 48 was designed and built in Finland as a pilothouse cruiser with exceptional performance capabilities. Compared to many more modern pilot house yachts, this design was way ahead of its time. The meticulous build quality, combined with the excellent use and care given by her long- term owner, recommends this yacht to anyone with serious cruising plans. Beginning in March, the asking price will be reduced from \$ 279,000 to \$ 179,000 ! A remarkable drop in price reflecting the owner's desire to bring about a sale.
