## ABOUT ANNA J

ANNA J is a pedigree OCEANCO superyacht, recently refitted with a 4-meter extension, engine overhaul, and new stabilizers. The extension creates a versatile aft area for a beach club or dive center. Her MTU engines have less than 25 hours since a W5-Plus overhaul, and she's fully stabilized for comfort. With a completed 5-year ABS survey, ANNA J offers excellent value and room for further interior customization. Yachting Select is pleased to assist you in the purchase of this vessel. This boat is centrally listed by Worth Avenue Yachts. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel
