ABOUT PIPEDREAMS

If you are looking for a solid fishing platform that is fully equipped with rods and tackle, low-maintenance synthetic decking, and the latest in four stroke outboard power, then your ship just came in! Introducing Pipedreams , a 1994 Pro-Line 2950 that is totally loaded with everything the avid angler or charter operator will need. Best of all, she's been modernized with two NEW Yamaha 300's with stainless counter-rotating props, and Yamaha's Helm Master EX Joystick Control System and touchscreen display. If that weren't enough, a set of twin Lowrance HDS Pro 12" displays that can handle navigation, engine monitoring, sonar, and much more. This boat brings the best of modern technology to your fingertips at a fraction of the cost of a new boat. Pro-Line boats are built in Florida of...
