ABOUT 1998 VIKING BOATS 58 CONVERTIBLE EL JEFE

58 Viking on the move. This hallmark boat changed everything for Viking. How? Here is how, The newest and largest of their fleet when this boat came out in 1994, brought you a custom boat built on a production line with the same quality to each customers. Viking decided it needed to beat the competition and make a better boat. How? First the 58 Viking hull shape changed so that the boat could achieve faster speeds with a smoother ride in both following seas as wells as straight on the bow. The bow section changed to a sharper entry as well as more flair for a dryer ride. The aft sections especially under the bottom were resurfaced for more lifting and better handling while cornering with still giving you a 165 square feet of cockpit. Okay, but what makes it different from past Viking...
