ABOUT M/Y Q

Preliminary Listing - Additional Specs & Pictures Coming Soon. Designed by Stefano Righini, this elegant 106' Falcon blends classic Italian styling with performance and comfort. Boasting a 23'3" beam, she features five staterooms accommodating up to 10 guests, along with quarters for six crew members. Powered by twin MTU diesel engines, she reaches a top speed of 27 knots and cruises comfortably at 24 knots. With four heads and expansive living spaces, she's ideal for luxurious cruising and entertaining. This is a great opportunity, as she does require some mechanical and cosmetic work, which is currently being addressed.
