## ABOUT LEATHERBACK

The heart of this machine is a New Mercury 350 Mag MPI engine package. Professionally installed by Zimmerman Marine, the mechanical systems have been overhauled for modern reliability. New Propulsion: Complete Motor Replacement with a Mercury 350 MPI. Drivetrain: New shaft seals, new bearings, and new rudder seals. Bottom Prep: Professional bottom paint and a 10-year sealer applied at Holden Beach Marina. Electrical Vitality: All new wiring, new batteries, new battery switches, and a new battery charger. The helm has been completely digitized and modernized with a premium suite of Garmin electronics. The "Silent" AC System: Featuring a Giant Lithium Battery Bank custom-engineered to run the air conditioning system for 8+ hours without the need for a generator. Navigation Suite: New Garmin...
