ABOUT TRINITY

This 2006s Hunter 356 "Trinity" features a tall, fractional rig, which is a direct descendent of the B&R rig that powered Hunter's Child to a second place finish in the recent BOC. Hunter has engineered the mast to carry less weight aloft with smaller sections. This is accomplished by utilizing swept-back spreaders and reverse diagonals as well as mast support struts. This combination provides superior strength without a backstay and increases the stability at the same time. By using a large roach main as the power sail, Hunter has eased the effort in sail handling and allowed for real versatility for all wind and sea conditions. The benefit is better performance with less effort. The deck layout of the Hunter 356 reflects the innovation that accompanies the rig. An integrated arch...
