## ABOUT BOSTON WHALER 220 DAUNTLESS

2004 Boston Whaler 220 Dauntless Powered by: 200hp Suzuki 2019 The Boston Whaler 220 Dauntless has more of everything that makes the Dauntless series among the most versatile boats on the water: more seating, more storage from the bow to the stern, and more choices for fishing or comfort. There's a large, lockable center console that provides a secure place to stow gear, and room for a standard portable head. Passengers will appreciate the roomy helm area with the reversible pilot seat that converts to a forward-facing bench seat, leaning post, or aft-facing lounge seat for observing skiers. Options like a ski pylon, freshwater shower, T-top, or sun top make this boat ready for anything. Yachting Select is pleased to assist you in the purchase of this vessel.
