ABOUT FISHY BUSINESS II

Only 153 Viking 61' hulls have been produced. Of the convertibles, very few have a four stateroom, CAT C-32 1650hp configuration like the FISHY BUSINESS II. The current and previous owners have spent over a million dollars on refit upgrades in the last seven years. This hull is outside of the bad gelcoat era, has fresh hull paint and her polished, ceramic coated topsides glisten. The rebuilt, recently 1000 hour serviced, CAT C-32 1650hp engines produce an easy 30 knot cruise at 60 percent load. Put FISHY BUSINESS II under contract, survey, close, change the name, bring your gear, tackle, groceries and enter a tournament the next day....she is TURN KEY....! We can get it done by Big Rock 2026 if you hurry now! VESSEL HIGHLIGHTS - Four staterooms with updated interior CAT C-32 1650hp HEUI 820...
