## ABOUT FRIENDSHIP

2007 Southerly 42 RST featuring three cabins and two heads, a variable draft swing keel, twin rudders/wheels, a raised salon and nav, and a large aft cabin. The Southerly 42 RST was designed by Rob Humphreys and built to cross oceans by Northshore Yachts in England. It boasts an impressive sail plan, for powerful windward performance and a robust swing keel, giving the freedom and versatility to sail in almost any waters. With the keel lowered, the variable draft of 8' 11" makes for fast, serious blue water cruising. The keel can be raised at the touch of a button to give a shallow draft of just 2' 9" - perfect for shallow water sailing and exploring coastlines. FriendShip is in the water at St. Johns Yacht Harbor on Johns Island, SC. Highlights: 2024 bottom paint and zincs Watermaker Bow...
