ABOUT SAYA

Are you ready for a comfortable, easy sailing life? Meet:2009 Fountaine Pajot Orana 44 "Saya" ***2022 Survey Available for Serious buyers*** Saya is a popular Owners Version (Maestro) Catamaran from the well-respected French factory, Fountaine Pajot and the world-famous design team of Joubert Nivelt. The first thing you notice when you board this vessel is the curves. From the steps aft to the port holes forward, to cabinetry throughout, you do not have to worry about stabbing a hip bone under way. Honestly, I don't know why more builders don't make this happen, so, that gives you an idea about the build quality of this boat. Yes, it's a production boat but they put lots of love into it, too.
