ABOUT EVERMORE

Major Price Reduction "Evermore" is a well-appointed, captain-maintained, Caterpillar-powered Hatteras GT. Upon entering the spacious salon and adjoining galley, you're welcomed by deep, high-gloss cherry wood veneers and custom granite surfaces that highlight the signature Hatteras fit and finish. The beautifully designed interior is complemented by three generous staterooms and three heads, offering an ideal layout for owners and guests to enjoy cruising, fishing, or relaxing onboard. Renowned for its quality construction and smooth, comfortable ride, Evermore delivers an exceptional experience. Powered by Caterpillar C-32A engines, she cruises efficiently at 30 knots with a fuel burn of approximately 105 GPH and a reported draft of 4'10".
