ABOUT 2012 X-YACHTS XP 44

The Xp-44 model from X-Yachts has an enviable race record with wins in major ocean races around the globe, yet performing as a comfortable cruising yacht for short or ocean crossing passages. VAMOOSH has spent her life in Hawaiian waters providing her owners with local racing, cruising and day-sailing experiences. Maintained impeccably, she shows light and competent use combined with professional care. All pictures were taken recently and will be updated as the yacht is fully commissioned after a thorough yard period. Sailing pictures will be added soon.
