ABOUT AQUILA 44 YACHT

Born of innovation and experience, the luxurious Aquila 44 Yacht Power Catamaran is a world leader in its class. Designed to be both a long distance cruising yacht and a highly social platform, the highly experienced Aquila design and engineering team created the Aquila 44 Yacht to optimize performance. Two Volvo Penta diesels are situated aft behind the living compartments reducing noise and vibrations. Bulbous bows increase the waterline for greater efficiency while reducing pitching moments. Multifunction displays, digital controls, joystick operation, engine monitoring displays, thrusters, and widely spaced main engines make operating the Aquila 44 Yacht easily accomplished by a single couple. With an enormous amount of attention to detail and knowledge of how owners use their boats,...
