## ABOUT WORLD CAT 320 EC

It's easy to take a boat primarily built for fish-crazed anglers and throw in a berth, a toilet, a bottle of wine, and have the marketing department call it "family fish". BUT exactly how well are the two characteristics- fishing and cruising amenities combined? The World Cat 320 EC has mastered the combination of fishing appeal and cabin class cruising amenities that will appease any boating aficionado. Recent survey and 500 hour engine check up just completed. Yachting Select is pleased to assist you in the purchase of this vessel. This boat is centrally listed by Rick Obey Yacht Sales. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel
