## ABOUT AUROUS

Delivered and commissioned in 2016, Aurous is a commercially coded (MCA Cat 2) and professionally maintained/operated high specification example of the extremely popular Prevest & Nauta designed Lagoon 52 Flybridge, with diamond-shaped vertical bows, contemporary styled hulls and a levitated hardtop with flybridge and stands out from the crowd. Aurous is NOT an ex bareboat charter fleet yacht, she has been run in a small boutique company whos core values are based around proving high quality yacht vacations. Aurous has always been maintained to the highest standards and has always been professionally crewed by a crew of two. Aurous is probably the best example of a Lagoon 52 on the market today. Come and see for yourself before you waste time touring terrible condition, younger yachts...
