ABOUT ROBALO 305

Welcome aboard HOTAS , a low-hour, exceptionally clean 2018 Robalo 305 Walkaround that offers the perfect blend of offshore performance, comfort, and versatility. Powered by twin Yamaha F300 outboards with under 200 hours, this boat delivers reliable power and efficiency for both serious fishing and cruising. She is well-equipped with a strong list of features, including: Garmin electronics package 3kW Westerbeke generator Reverse cycle heat & air conditioning Refrigerator Stand-up head with shower Forward V-berth Aft cabin under the helm Foam decking throughout Massive overhead storage in the hardtop with integrated electronics box Whether you're heading offshore or spending the weekend aboard, HOTAS is set up to do it all. The boat is currently under shrink wrap and can be easily shown...
