## ABOUT BUZZ

BUZZ is a 2020 Riviera 57 Enclosed Flybridge, representing one of the most comprehensively optioned examples of this highly regarded model. Designed for serious offshore cruising and extended time aboard, she combines Riviera's proven hull design with a highly functional three-cabin layout and enclosed flybridge configuration. The enclosed flybridge offers a fully air-conditioned upper helm with internal stair access, creating a second saloon-like space suited to all-weather operation. Large glazing provides exceptional visibility, while an electric sunroof allows for natural ventilation when desired. The helm is fully integrated with Garmin and Volvo systems, providing multi-display navigation, engine monitoring, autopilot control and joystick docking from multiple stations.
