ABOUT 2020 VOYAGE YACHTS VOYAGE 590 E

The VOYAGE 590e is a state-of-the-art, electric-powered sailing catamaran that combines luxury accommodation, comfortable sailing characteristics, and intuitive power supply systems. Designed for sailors, the 590e is engineered for comfort and efficiency. How does it work?: A large propulsion battery bank supplies power to the twin 35kW electric motors, as well as inverted power to all other on board systems, including high output water maker, air conditioning, induction cooktop and electric oven. Batteries are re-charged from solar, hydro-generation, auto start DC generators, and shore power. Spacious Accommodations, featuring six luxurious en-suite cabins with walk-around super-queen beds, comfortably accommodating up to 12 guests, plus two en-suite single berth crew cabins....
