ABOUT ANVERA 42 SPEEDSTER 2021

Crafted by Anvera in collaboration with naval architect Brunello Acampora of Studio Victory Design, the 42 Speedster features a revolutionary carbon fiber deep-V hull with patented variable geometry steps, delivering exceptional stability, fuel efficiency, and a top speed of over 50 knots. Her sleek, minimalist design is complemented by a spacious open-air layout with customizable configurations, premium materials throughout, and thoughtful amenities including a bow sun pad, aft lounge, and optional enclosed head compartment. Powered by triple Mercury Racing 450HP outboards totaling 1,350HP, this 42-footer offers an exhilarating on-water experience while maintaining the craftsmanship and exclusivity that only a limited-production Italian builder can deliver - making her the perfect vessel...
