ABOUT GATSBY

Delivered in 2021 by Sanlorenzo, GATSBY is a 96-foot SL96A motor yacht showcasing the builder's acclaimed asymmetric design: more main-deck volume, stronger natural light, and a more open connection between salon, owner spaces, and the sea. The asymmetric concept originated with Chris Bangle; exterior and layout design are by Bernardo Zuccon of Zuccon International Project; naval architecture is Sanlorenzo in-house. The model won Best Layout (14–30 m) at the 2020 World Yachts Trophies. GATSBY's factory Laura Sessa Romboli interior was replaced during commissioning with a custom package by Marty Lowe Design Inc. GATSBY is equipped for South Florida and Bahamas use, with aft-deck dining, foredeck lounge and sunpads, an expansive flybridge with hardtop and wet bar, hydraulic swim platform,...
