ABOUT MARTINI

The world is your oyster aboard this exceptional long-range passagemaker. It's not about the destination, it's about the journey. Martini embodies that spirit in every way. Designed and equipped to cross oceans in comfort, her full-displacement hull, efficient John Deere power, and 3000 nm range make her an ideal yacht for exploring the world safely and elegantly. Professionally maintained and upgraded by an experienced owner, Martini combines Nordhavn's legendary engineering with custom enhancements that elevate both her comfort and capability. From her upgraded systems to fine interior finishes, she represents the perfect balance between seaworthiness and luxury. Key Features include: 60Hz US Spec with US Duty Paid - Vessel also has a Transformer to accept 50Hz too Furuno Navigation...
