ABOUT H2

This 16-meter chase boat delivers everything you'd expect from a high-performance, well-engineered powerboat. Key features include triple V12 600hp engines, designed for easy out-of-water servicing, offering exceptional durability and immense torque. The boat ensures an incredibly smooth, fuel-efficient, and stable ride, whether towing or cruising, with an exceptionally dry experience even in challenging conditions. The expansive deck layout provides generous living space, featuring two large tables perfect for hosting family and friends, along with ample sunbed areas for relaxation. Whether you're using it as a day boat or a chase boat, this vessel leads its class in performance, comfort, and versatility.
