ABOUT STELLAMAR

Stellamar is a remarkable 35-metre tri-deck explorer yacht built by Cantiere delle Marche for an Owner with an uncompromising vision: to combine the robust, ocean-going spirit of a true expedition vessel with the refined elegance and comfort of a world-class superyacht. Developed on the proven RJ 115 platform, Stellamar embodies the yard's philosophy of engineering excellence, long-range autonomy, and timeless Italian design. Her sleek yet purposeful profile is the result of a harmonious collaboration between Hydro Tec and Francesco Paszkowski Design, featuring a steel hull, aluminium superstructure, and a series of custom refinements that enhance both aesthetics and functionality. Expansive decks, wide walkways, and panoramic glazing create a seamless connection between life on board and...
