ABOUT CLB72

Meet the latest version of popular CLB72. Designed for families with a heart for adventure, the CLB 72 is perfect for long cruises with family and friends and suitable for owner operators. The yacht's timeless, elegant exterior is accompanied by a host of well-appointed interior and alfresco areas, offering everyone on board plenty of room to roam and making days at sea all the more enjoyable. Built upon the combined expertise of naval architect, Howard Apollonio, and leading marine structural engineers, Gurit, the CLB 72 pushes the boundaries of marine engineering, achieving an exceptionally lightweight and aesthetically pleasing design without compromising the integrity of its structure.
