ABOUT 47 FRONT RUNNER - HULL 1

The 47 Front Runner is a high-performance, luxury sportfishing machine that blends tournament-grade capability with elegant comfort and serious offshore range. Here's what makes this 2023 model an awesome buy: - Performance Powerhouse - Quad 600 HP Mercury Verado V12s: That's 2,400 horsepower of propulsion, offering blistering speed, quick hole shots, and effortless cruising even in rough seas. - Fishing-First Functionality - Tower with Dual Helms: A fully equipped second helm station offers superior visibility for spotting fish and navigating. - Spacious Cockpit: The aft cockpit layout is optimized for hardcore anglers—plenty of room to fight fish, with livewells, rod storage, tackle drawers, fish boxes and Rocket Launcher Pedestal. - Luxury + Utility - Premium Seating: High-end helm and...
