ABOUT CHEWBACCA

Delivered in 2023 as part of Grand Soleil's acclaimed Long Cruise range, Chewbacca 13m Long Cruise is a refined expression of blue water sailing. She has been carefully specified and maintained to reflect an owner with a clear brief: capability for serious passage-making without sacrificing onboard comfort or individuality. Designed by Marco Lostuzzi in collaboration with Nauta Design and the technical team at Cantiere del Pardo, she is practical, refined and quietly characterful.
