## ABOUT 2023 MOON 60

Moon Yacht is a completely new quality in the world of catamarans. Our inspiration was the moon and its amazing power. Moon from the earliest times helps in navigation and allows you to maintain a good course. Our project is a response to the growing customer demand for spacious and specially personalized lifestyle units. We want to provide great comfort and uniqueness. Moon Yacht units are not only unique luxury. Elegance is ensured by the bulwark trim with exclusive teak wood. Thanks to this, the catamaran has a timeless character, and the new connector concept and the elongated line of the superstructure give it a unique level of comfort. This moon 60 is available in July 2023 and is layout for charter with 8 cabins and fully loaded. Elegance is ensured by the bulwark trim with...
