ABOUT OSCAR

OSCAR, delivered in late 2023 is the newest Numarine 37XP to be offered for sale on the brokerage market. She is also the highest optioned 37XPs to ever have been delivered in the increasingly popular explorer series. OSCAR is a family oriented yacht which sleeps 12 guests in 6 cabins including a private owners deck on the upper level replacing the sky lounge. Forward on the main deck where we typically see a VIP or master cabin is a beautifully laid out children's playroom/cinema complete with full head so this could easily double as a 7th cabin for guests/kids. Throughout her custom Hot Lab interior decor is custom De Gournay wall paper making for a fantastic vibe & styling. This continues all the way down to the beach club and you will be able to see this throughout the interior...
