ABOUT DREAM BIG

With only 186 hours on its Volvo Penta Stern Drive engines, this Schaefer 375 HT is practically brand new. It offers the thrill of cruising on pristine power. But what truly sets this yacht apart is its Joystick control system, which transforms maneuvering into a breeze, whether navigating tight marinas or cruising through open waters. The Schaefer 375 HT isn't just about performance; it's a sanctuary of comfort and luxury. Step onto its spacious deck, where every detail has been thoughtfully curated to enhance your onboard experience. Enjoy panoramic views from the helm station or relax in the expansive cockpit lounge, perfect for entertaining guests or soaking up the sun in style. Below deck, the indulgence continues with a well-appointed interior that exudes elegance at every turn....
