ABOUT BAYLINER VR6 BOWRIDER OB

Introducing the 2024 Bayliner VR6 Bowrider OB, a stunning example of a used bowrider that combines performance and style. With an overall length of 22.33 feet, this fiberglass beauty is designed for both comfort and agility on the water. Powered by a robust 150 hp Mercury 150 EFI 4-Stroke outboard engine, it boasts only 44 hours of use, ensuring reliability for your adventures. The VR6 Bowrider is equipped with a head, enhancing convenience for day trips or longer excursions. Its thoughtful design includes ample space for relaxation and enjoyment, making it perfect for family outings or entertaining friends. The boat's sleek lines and modern aesthetics are sure to turn heads, while its outboard configuration allows for easy maneuverability. Experience the thrill of the water with the...
