ABOUT 2024 CUSTOM 49 PAX

Alpha Catamarans out of Sarasota Florida are building these high -speed passenger catamarans one at a time. The hull is a true ocean going, Subchapter T, US Coast Guard Certified Passenger Catamaran rated for the "Ocean" class. Hull #1 (sold) is pictured and is powered with twin Mercury 150's. Pricing will vary widely for each build due to component pricing and availability. The hull is rated for up to Four (Quad) 600hp Mercury engines for a total of 2,400hp if you desire to get your passengers there in a hurry! Endless options available from our design team including a second story with controls, passenger bench seating, etc.
