ABOUT CIAO

As the newest Pershing 7x on the brokerage market, CIAO presents an excellent opportunity to purchase a highly specified, like-new vessel for the summer season. She was built for a very discerning owner, who spent just under a million euros on optional extras. Amongst the most prevalent are the upgraded A/V and Heaven sound system, addition of gyro stabilisers and stern thruster, tropical grade A/C and elevated interior decor. Designed by Fulvio De Simoni and reaching a top speed of 50 knots, CIAO is perfect combination of performance, style and comfort. Her sleek interior accommodates 6 guests across 3 cabins; 1 master, 1 VIP and 1 twin.
