ABOUT SEVEN SEAS

SEVEN SEAS is a custom global explorer designed by well respected Dutch design firm Vripack who has a long history developing some of the most sought after expedition yachts in the world. Vripack has taken that experience & knowledge and teamed up with RMK Shipyard in Turkey to build SEVEN SEAS, the 2024 RMK 120. SEVEN SEAS has a timeless interior decor by Epikworks Interior Design and comfortably sleeps 10 guests in 5 cabins including a spacious on-deck master. A 4,000 kg davit located on the upper deck can accommodate a substantial tender. Her Caterpillar C32 give her a range of 3,600nm at cruise speed. She is built to commercial class and built for true blue water cruising.
