ABOUT WORLD CAT 260 DC-X

Introducing the 2024 World Cat 260 DC-X, a remarkable power catamaran that combines performance and comfort in a sleek 25.5-foot design. Crafted from durable fiberglass, this vessel features a catamaran hull shape, ensuring stability and efficiency on the water. Equipped with twin Mercury 200 hp outboard engines, this boat delivers impressive power, making it perfect for thrilling adventures. With only 156 hours of use, these engines promise reliability and performance. The 260 DC-X is designed for convenience, featuring joystick control for effortless maneuvering. A well-appointed head adds to the onboard comfort, making it an ideal choice for day trips or longer excursions. This catamaran is perfect for those seeking a blend of speed, agility, and comfort, ensuring memorable experiences...
