ABOUT WORLD CAT 295

This exceptionally clean 2024 World Cat 295CC presents a rare opportunity to own a nearly new offshore center console with minimal hours and outstanding equipment. Powered by twin Yamaha 300 outboards with joystick maneuverability, this boat delivers excellent performance, effortless docking control, and the smooth ride that World Cat's power catamaran design is known for. With only 80 hours on the engines and a freshly completed 100-hour service, the vessel is turn-key and ready for immediate use. The catamaran hull provides exceptional stability at rest, a soft ride in chop, and excellent efficiency whether running offshore or cruising locally. The helm features a Garmin electronics package with integrated camera system, improving visibility while docking and navigating. The boat is...
