ABOUT X56 FAST

The X56 FAST is the smallest in the FAST series yet one of my personal favorites as it is such a fantastic platform to be used as a weekend warrior, day boat or just to go out for cocktails or sunsets cruises. Agon Studio has done a fantastic job with the entire series and the X56 features the same concept yet only in a more managable size. She sleeps 4 guests in 2 cabins plus one crew member so perfect for an owner operator or some one who wants a full time crew to look after the vessel. Maximum speed is 32 knots and cruising speed 28 knots - and of course the option to extend your range at a slower cruising range. Great flexibility for different styles of use depending on your weekend or days plans.
