ABOUT PAIR CUSTOMS 34 DEEP V

Exciting opportunity to step into a dealer demo! Redefining the Center Console.... Experience the perfect blend of beauty through simplicity and uncompromising strength. This 2026 Dealer Demo showcases Pair Customs' commitment to building a superior, "no-nonsense" offshore machine. While others prioritize flash, Pair Customs prioritize a "no shake, no shudder" ride that redefines what a robust construction methodology should feel like. The "Pair" Difference: Construction & Performance Built with an over-engineered lamination schedule, this 34' CC offers a rigid structure without unnecessary weight. The result is a perfect horsepower-to-weight ratio that provides industry-leading efficiency and comfort. Solid Foundation: Stringers are built using a solid core grid system. Reinforced Transom:...
