## ABOUT RIZZARDI GR SESSANTATRE

**DARE TO BE TIMELESS** Tradition and innovation. GR Sessantatré is the first from the new GR line, a tribute to founder Gianfranco Rizzardi and inspired by the CR line that made the brand famous worldwide. Its layout evolves from classic to contemporary by uniting aesthetics, functionality, and technology. Stern platform equipped with a tender lift, completely independent VIP cabin aft, large cockpit, and much more. With shaft-line propulsion, it reaches a top speed of nearly 40 knots with two 1,300 HP MAN engines. Available in two versions: fully open or with a roll bar and with an electric awning that completely opens or covers in a few seconds.
