## ABOUT 2026 X-YACHTS X4y

The elegance of luxury performance X-Yachts introduces a new X4y with a lot of improvements - new look with an updated hull, new rudder, lower weight, more luxury in the cabin - and better performance too. When the X4y MkI was introduced in 2018, the Pure X range really started to make its mark in the global yacht market. The X4y was the third model in the all-new Pure X range and today more than 50 have been sold globally. Director of X-Yachts Design & Engineering, Thomas Mielec explains: "What we are developing now can be described as a smaller version of the X5v. The revamp of the X4y in this MkII edition is a natural evolution incorporating the lessons learned and the visual appearance of especially the X5v and the X4<sup>3</sup>; MkII being the most updated members of the Pure X range. And...
