ABOUT X90 FAST

The X90 FAST is a very practical & managable performance yacht that sleeps 8 guests in 4 cabins + 4 crew in 2 cabins with a layout focused on alfresco living with a large main salon that flows to the expansive aft deck area that is divided into 3 sections - dining, comfortable sitting area, and lounge pads that connect to the swim platform. The upper sundeck is a fantastic space to enjoy the sun or wind in your face when underway. The X90 FAST has an impressive top speed of 29 knots, cruising speed of 23 knots and equally impressive is that at a cruising speed of 12 knots her range is 800 nautical miles. Extra Yachts has collaborated with Italian design firm Hot Lab Studio on both the interior & exterior design.
