ABOUT X145 GLOBAL

The X145 GLOBAL redefines the boundaries of maritime exploration. Advanced technology and exclusive design come together to create a seafaring experience with no compromises. A 44-meter steel and aluminum yacht featuring a dual-mode hull and a 4,000 nautical mile range. Exterior styling by Studio Agon, with generous volumes that ensure the comfort of next-generation explorer yachts. Steel hull and aluminum superstructure, 499 GT gross tonnage, 9.10-meter beam, and RINA certification for unrestricted navigation- engineered to face any sea condition with confidence. Fuel capacity of 50,000 liters ensures an exceptional range of 4,000 nautical miles at 10 knots, enabling transoceanic crossings and long-distance cruising with no compromises. Expansive outdoor living areas deliver an…
