ABOUT NUMARINE 47MXP

The 47MXP is the flagship in Numarine's successful explorer range of yachts and an advancement of the 45XP with the difference being the configuration of the aft deck. The 45XP has a more traditional garage with beach club while the 47XP lengthens the transom area to allow an expansive terrace area complete with pool, lounge areas, dining & full service bar. The 47MXP is a true 'Mediterranean Explorer' as Numarine likes to say. She still has all the capabilities of the 45XP as a global explorer yet done in a way to allow more alfresco living as one would expect during Mediterranean summer seasons. Delivery can be completed in 36 months from the time contracts are finalized so a very aggressive delivery schedule which makes her one of the most attractive options in the 45m range on the...
