WARNING

BE CAREFUL WHEN WORKING ON ELECTRICAL SYSTEMS. ALWAYS DISCONNECT BATTERY BEFORE WORKING ON ELECTRICAL SYSTEMS. ALWAYS USE PROPER SAFETY PROCEDURES.

BILGE PUMP

FUSE

rule

AUTO **MAN**

OFF

A black rectangular control panel for a bilge pump. It features a red indicator light at the top, a circular fuse holder with 'FUSE' written twice around it, and a rotary switch with 'AUTO', 'MAN', and 'OFF' positions. The 'rule' logo is at the bottom left.

**WATER WITCH
BILGE COUNTER**

DISPLAY **RESET**

A circular black control panel for a water witch bilge counter. It has a red digital display in the center and two square buttons labeled 'DISPLAY' and 'RESET' at the bottom.

WATER ALARM

rule

A circular black speaker grille for a water alarm. The text 'WATER ALARM' is printed across the grille, and the 'rule' logo is at the bottom.
