# DISCHARGE PROHIBITED

Federal Act prohibits the discharge of oil  
or any other harmful or polluting  
substances into the navigable waters of the United States,  
or into any other waters, or which may affect natural  
resources, or under the exclusive  
jurisdiction of the United States. If such discharge causes  
pollution of the surface of the water or causes a discharge  
into the surface of the water. Violators are subject to  
civil and criminal sanctions including fines
