Tax Status:	US Duty Paid		

DOPAMINE - Overview

DOPAMINE (originally named EXCELLENCE) was custom ordered and built under the project management & supervision of an extremely experienced yacht owner.

She is built to Bureau Veritas standards and is MCA compliant and is the only Maxi 94 built to full American 60HZ electric specifications.

He combined the in-house team at Mangusta with the guidance of Winch Design for a completely unique Mangusta 94 Maxi Open unlike any other in the world.

The windows in the hull were enlarged to allow additional natural light in the lower deck including the impressive lounge room found on the lower deck which has an amazing view of the water. Two large skylights were added to the main deck salon to also improve upon the already impressive natural light.

For exterior appearance the hull is built in a single skin of fiberglass to maximize seakeeping ability. 4 tons of additional fairing was added to the hull & superstructure to give her a polished appearance resembling the finish found on a supercar.

The exterior was then painted in a metallic Snowpack Silver that is complimented with a Sable Brown boot stripe & Snow White accents.

DOPAMINE features the latest MTU 16V2000 series 2600hp engines (250 original hours with extended 3 year warranties) giving her a top speed of 37 knots and a cruise speed of 32 knots. She has dynamic positioning and joystick controls allow easy maneuvering and when underway the 2 Seakeeper gyro stabilizers assure complete comfort.

The exterior deck spaces were customized during the original build & improved upon by the current owner who bought her in early 2020. The aft deck has a double seating area along with a back light onyx bar, jacuzzi with electromechanical fill & empty switch with large sunpads that lay on top when not in use. Her flybridge also has a custom layout with full upper helm great for that race-car feeling when underway.

On the interior Winch Design did an amazing job as expected combining high gloss ebony & sycamore woods, light cherry flooring, white 'Florida' & brown 'Ischia' leather wall coverings, Minotti carpeting, Poltrona Frau loose furniture, accent pieces & lamps by Porta Romana, and 3 gorgeous Dayton helm seats that ooze style.

Guest accommodations sleeps 6 guests in 3 cabins as well as a multi purpose media room for additional sleeping arrangements if required all accessible via a companionway located forward on the main salon on the port side of the helm station. Back aft you have your chef's galley, laundry room, and two en-suite crew cabins that sleep 3 as well as direct access to your engine room.

The tender garage opens to reveal room for a Williams 385 jet tender (not included) plus additional storage.

DOPAMINE - Highlights

- Built to Bureau Veritas
- MCA Compliant
- US Duty Paid
- Built to full US 60hz specifications
- Latest MTU 16V2000 M96L series 2600hp engines give her a top speed of 37 knots, cruise speed of 32 knots

- 1.3 TB hard-drive for media storage
- DVD/CD player
- Direct HD TV with DVR

Lower Helm Station

- (3) Electrically Operated Adjustable Leather Helm Chairs
- (3) Stainless steel windshield wipers with rinse capability

- Latest State of the Art Navionics to include Simrad Halo Radar & Global Positioning
- Custom Chart Table Installation
- (2) Rolls Royce Canman touch waterjet and throttle controls
- (2) Rolls Royce 12" control screens
- Rolls Royce joystick control
- Rolls Royce remote control system
- Simrad Halo HD Radar TX06S • Simrad GS25 GPS antenna
- Simrad AP70 Autopilot
- Simrad RC42 Fluxgate gyro
- Simrad Ac80A Autopilot processor
- Simrad QS80 Autpilot remote
- Furuno Class A AIS system
- Simrad NSO EVO2 processor box plotter • Simrad OP 40 remote control
- Chart Navionics platinum plotter
- Simrad HS70 Gyro compass
- Simrad HR80 Gyro repeater
- Wave Marine WiFi system
- Simrad Hatteland 19" HD Series X monitor
- Simrad Hatteland 24" HD Series X monitor
- Simrad NS Sonarhub sounder module
- Simrad M260 depth sounder
- Simrad Structure Scan HD imaging module
- Simrad IS20 wind speed/angle indicator
- Simrad IS20 wind display
- Simrad IS40 color multifunction display
- Simrad RC42 Fluxgate gyro
- Sailor 6222 VHF DSC
- Simrad VHF/AIS RS90
- Simrad VHF HS35 wireless handset (crew area)
- Navtex Furuno NX700 receiver
- Phontech Command Intercom System CIS3100

- Substation 9003 for headset (engine room)
- Intercom indoor unit mounted (crew mess)
- Videomatrix CCTV system w/ (4) color cameras w/remote controlled pan/tilt/zoom/ focus function M Series
- FLIR system M625XP /thermal night vision
- Hatteland XSeries monitor (crew mess)
- KVH Trac Vision V7-HTS next generation Ku band hi speed VSat

Lower Salon

- Upgraded Samsung 4K SUHD 55" TV
- Upgraded Sealux AV System allows wireless music airplay from I-Phone or I-Pad
- Refrigeration Unit
- Ice Maker
- Wet Bar Sink
- Executive Desk printer
- Wi-Fi Laser Printer to service vessel
- Access to guest/day head and stall shower

Master Stateroom

- Enlarged Entrance Doorway from Lower Salon
- Ice Maker
- Fridge
- King size walk-around bed on leather and chrome pedestal
- New Large ocean view windows, port and starboard with port holes
- Loveseat to starboard
- Leather wrap adjustable reading lights
- (2) nightstands
- (4) Port lights
- Upgraded Samsung 4K SUHD 60" TV
- Upgraded Sealux AV System allows wireless music airplay from I-Phone/I-Pad
- Custom Vanity with Make Up Mirror and duplex receptacle electrical outlets
- Master head with his and her vanity and a huge window
- Marble and Stainless Steel Shower with Graft multi-zone shower fixture with steam function
- Custom His and Her Closets

- Electric leather blinds
- Electric Blackout screens
- Security Safes

VIP Stateroom

- Queen size, walkaround bed
- Hanging lockers
- Bover stainless steel lamps
- Leather wrap adjustable reading lights
- Multiple 110 / 60 hz outlets
- Electric blinds
- Upgraded Samsung 4K SUHD 50" TV
- Upgraded Sealux AV System allows wireless music airplay from I-Phone/I-Pad
- Custom Ceiling Windows with Electrically Operated Glass black out feature that turns glass from clear to clouded appearance.
- Custom designed Vanity with Make Up Mirror and duplex receptacle electrical outlets
- Security Safe
- Ensuite stall shower and Planus head
- Hammer surface sink with marble top vanity

Port Guest Stateroom

- Twin berths
- Hanging locker
- Electric blinds
- Denon stereo
- Samsung 22" TV
- Upgraded Sealux AV System allows wireless music airplay from I-Phone/I-Pad • Direct TV receiver
- Leather wrapped reading lights
- Ensuite head, stall shower and vanity

Crew Quarters

- Captains Stateroom with single berth and connecting head and shower
- Closet, cabinets and desk
- SAT TV

- Stereo System
- Crew Stateroom with upper/lower berths and connecting head and shower
- SAT TV
- Stereo System
- Security Safe

Galley & Crew Mess

- Frigit Quad Refrigerator System converts to refrigeration or freezer
- Libherr Wine Cooler
- Miele Microwave
- Garbage Disposal
- Miele Dishwasher
- Subzero clear icemaker
- Miele ceramic cooktop stove
- Food warmer
- Exhaust Fan
- Custom metallic silver cabinetry
- Granite countertops and black-splash
- Miele Clothes Washer and Dryer
- Samsung 22" TV with Upgraded Sealux AV System
- Safety Monitoring Station

Foredeck

- Huge U-shaped seating
- Oversized Foredeck Sun Pads with opposite seating area
- Exterior Electrical Outlets at Foredeck Seating
- Hi-low Foredeck Table that adjusts from Cocktail to Dining Height and extends to accommodate 8 people for dining
