Location:	Fort Lauderdale, Florida United States	Classifications:	Bureau Veritas
Price:	\$5,250,000 USD	MCA: Yes	ISM:
Tax Status:	US Duty Paid		

Overview

The current owner purchased 'PURA VIDA' in 2017 and has completed two major shipyard periods with notable improvements to the vessel both mechanically & cosmetically which are outlined in the brochure.

The first upgrade period saw a full exterior repaint by Luu Marine at Lauderdale Marine Center as well as a complete upgrade of all soft goods & loose furniture on the interior.

Each guest room received new linens, soft goods, headboards, and carpeting throughout. New Tecma heads were also installed in the day head & all guest cabins.

The main salon saw new custom loose furniture both in the lounge & dining areas as well as a full wet bar installed to improve service & increase storage.

All exterior cushions were replaced with new fabrics as well as new awnings both on the upper deck & bow areas.

10 new underwater lights were installed that surround the yacht truly making her glow in the night.

A new AB 17DLX tender was purchased along with a new Sea Doo GTR 230 both of which are included in the sale.

PURA VIDA also had her wheelhouse upgraded with new navigation screens, Icom & Furuno components, and navigation computer & Intellian satellite system for internet.

PURA VIDA comfortably sleeps 8 guests in 4 cabins + separate crew accommodations back aft that sleep 4 in 2 en-suite cabins with a nice crew lounge that you can access from either the aft deck or transom.

PURA VIDA shows in near perfect condition and is ready for immediate hand over with all service & upgrades complete. I have no doubt that she will survey extremely well.

Priced aggressively for a fast sale.

Specifications

GENERATORS

- Kohler 30 KVA fitted with HMI exhaust separators

GENERATOR HOURS

- Port: 4,426
- Stbd: 4,462

SHORE POWER

- 3 phase 208 Volt at 50 Hz Shore power cable with Glendening cable coiler
- ASEA shore power converter

BATTERIES

- Optima 24 Volt engine start batteries
- Optima 24 Volt generator start batteries

- 24 Volt gel sealed service batteries 600 AH
- Emergency gel sealed batteries in flybridge locker

FUEL

- 18,800 Litres (4,966 US Gallons)

WATER

- 4,000 Litres (1,056 US Gallons)

WATERMAKERS

- HEM chlorinator system for fresh water
- HEM watermaker, 200 l/h

DIRTY LUB OIL

- 310 Litres (82 US Gallons)

GREY WATER

- 1,800 Litres (475 US Gallons)

BLACK WATER

- 1,400 Litres (369 US Gallons)

STEERING SYSTEM

- Hydraulic pump driving two rudders, with manual back-up

RUDDER ANGLE INDICATOR

- SIMRAD

BOW THRUSTER

- American Bow Truster 44 KW

STERN THRUSTER

- American (Stern) Truster 44 KW

STABILIZERS

- TRAC zero speed stabiliser system

FUEL FILTERS

- Racor

FUEL SEPERATOR

- Alfa Laval

FIRE/BILGE PUMP

- Bombas Azcue CA80/10-A

SEWAGE TREATMENT

- Hamann sewage treatment plant

WC's

- Microphore

AIRCONDITIONING

- Marine Air

FIRE FIGHTING

- Novec 1230

ALARMS

- SOLAS & LSA Approved

SECURITY

- CCTV with 4 Cameras

SATCOM

- Sailor Sat-C TT-3606 E
- Navtex NX-700

VHF RADIOTELEPHONES

- Simrad RS 87 VHF repeater
- Sailor GMDS DSC VHF RT 022

MAGNETIC COMPASS

- Ritchie

GYRO COMPASS

- Raytheon standard 22 G/GM

AUTOMATIC PILOT

- Simrad AP 50 autopilot

LOG

- Simrad

ECHO SOUNDER

- Simrad

CHART PLOTTER

- Nobeltec

GPS

- Simrad MX 50 GPS

NAVTEX

- Furuno NX-700

WIND INSTRUMENTS

- Simrad IS 20

OTHER

- Sanshin search light remote control

ANCHOR WINDLASS

- 2 x Muir 4500 windlasses

AFT WARPING CAPSTANS

- 4 x Maxwell VC8000-L

GROUND TACKLE

- 2 x Balforth anchors with 130M of chain

BOAT CRANE & DAVITS

- Besenzoni 800 Kilo

PASSERELLE

- Besenzoni

SEARCHLIGHT

- Sanshin search light remote control
