Flag:	British	MCA:	ISM:
Location:	Istanbul, Istanbul Turkey		
Price:	(\$5,311,750 USD est.) €4,850,000 EUR		

WALKTHROUGH

When you step onboard SUNYA you can immediately see & feel the quality and attention to detail that was invested into the construction of the yacht.

Small details that often go overlooked that make the Alen 77 so special like how throughout the interior and exterior almost every line has a slight curve to it. The windows that surround the main salon & helm area have a slight curve, the angles of the superstructure & hull have a slight curve, the design of the interior decor and furniture all have a slight curve to it.

SUNYA is a substantial vessel with high bulwarks and full walk arounds yet still has a fantastic interior volume.

Stepping onboard you have a double wide swim platform that hides an Opacmare transformer that raises & lowers as a swim platform or passarelle to board the vessel. You also have additional storage for fenders, lines or SeaBobs. A garage houses a Williams 345 Super Jet tender that is also brand new.

Stairs to port & starboard lead up to the aft deck. Centerline back aft you have a sun-pad with back rests that can be configured for lounging or dining. The dining table easily seats 8. Moving forward to starboard you have a full service bar with hibachi grill, sink and refrigerator. To port you have stairs that lead up to the flybridge and below that you have access to the crew accommodations that sleep 2 complete with full shower and closet/drawer storage. Centerline hatch accesses the extremely well laid out engine room that features the latest technology like SpotZero water treatment system as an example.

Full walk arounds lead up to the bow area which has a fantastic center-line sitting/lounge area complete with sunshade bimini system. As a father of 2 young children I love the high bulwarks that lead to the bow making it extremely safe and kid-friendly. Forward on the bow is a semi-circle lounge area that I can see the entire family sitting at when underway or relaxing when at anchor.

Heading back aft and climbing to the flybridge you have a simple space with full helm that would make driving the Alen 77 super fun like a video game in my opinion. Lounge pads back aft and seating to port & starboard compliment the space. Again, a great space to be used when underway or at anchor. I can imagine looking up at the stars at a remote anchorage from this vantage point.

Entering the salon you immediately get a sense of calm and relaxation. Every piece of furniture has been meticulously designed to maximize the use of space. From the dining area to the custom settee, the bar area and open air staircase that leads down to the galley on the lower level. Ambient lighting accents the salon and lower guest accommodations bringing that sense of peace to all locations regardless of the time of day.

The main salon consists of a lounge area to port with custom settee and to starboard is a gorgeous independent chair, and a long bench with high-low table that raises to create your interior formal dining, or lowers to a cocktail table which is where I see it being positioned for 90% of the time. Forward to starboard is a bar area that to me also doubles as a showpiece with the beautiful sandstone counter tops & service area.

Forward of the bar area is your main helm station with Garmin glass flat panel monitors & Volvo Penta joystick controls (all of which is also located on the second, upper helm on the flybridge). A door leads to the exterior great for crew access or for docking the boat.

Opposite of the helm to port are stairs that lead down to the open galley. This entire space is open and the large windows and glass in the railings connects both the upper deck to the lower deck. It almost gives a loft feeling to the space.

On the lower level you have 3 guest cabins all of which are ensuites. Forward is a spacious VIP cabin and

opposite the galley is the smallest of the 3 cabins which features 2 single berths. The head serving this cabin also doubles as the day head for when you are entertaining. All the way back aft is the full beam master with spacious bathroom and large windows both to port & starboard. There is also a lounge area that I can see someone relaxing and reading a book or having a drink when getting dressed for the evening.

It is important to point out the headroom on the lower level which is 7' throughout so big volume interior decor both on the lower level and upper salon area.

SUNYA represents the best of the best in this competitive segment of the market. When comparing build quality, performance, design elements and the cool factor I would put her up against anything else on the market today.

The Alen 77 is a fantastic yacht that must be seen in person to be fully appreciated.

SPECIFICATIONS

Builder: Alen Yacht
Year: 2023
Exterior Designer: Alen Yacht
Interior Designer: Alen Yacht
LOA: 23.40 m / 77 ft
Max Beam: 6.05 m / 19.84 ft
Draft (without pods): 1.00 m / 3.34 ft
Material: Full Composite with AIREX core
Displacement dry (+/-5%): 45 T
Engines: 2x Volvo Penta IPS 1350
Max Speed: 30 knots
Cruising Speed: 22 knots
Range @ Cruising Speed: 400 nm
Propulsion: 2 X IPS 1350
Fuel Capacity: 4,000 liters / 1,056 gallons
Fresh Water Capacity: 1,080 liters / 285 gallons

Black Water Capacity: 200 liters / 52 gallons
Class: Module B + Module F

Exterior

- Teak deck
- Custom dashboard
- Garage at stern with electric hatch for tender storage
- Custom fitted deck furniture and cushions
- Chemically tempered cockpit windows
- Foldable dining table for 8-10 guests
- Aft capstan (2) (Quick T1500-1700 W)
- Electric windlass with dashboard controls (Quick Regal series 3000 W)
- 100m. Calibrated chain (12mm)
- Stainless steel bow roller
- Stainless steel anchor UA60 (Ultra Force)
- Transom shower
- Anchor locker
- Polyform fenders with covers (10)

- 15 m. Ropes (8)
- Custom mast for navigation equipment & navigation lights
- Flush deck hatch (Seasmart 75cm ER/60cm crew and VIP) (3)
- Portholes (11 Amare flush)
- Deck fillers (Seasmart)
- Life raft for 6 people underneath sunbed (2) (Eurovinyl or equivalent)
- Life jacket beneath sunbed (Solas II approved) (12)
- Life buoy
- Storage areas under gunwale
- Bar area with 85 ft refrigerator, electric grill, stainless steel sink, telescopic faucet, storage and drawers
- Stainless steel hardware 316 (Seasmart)
- Fore deck sunbed
- Aft sunbed with storage
- Fender cleat with chafe protection (8)
- Retractable cleat with 60 cm chafe protection (Seasmart) (10)
- Fairlead (Seasmart) (2)
- Cable master Glendenning
- Custom roll bar
- Hard top
- Flybridge
- Windscreen wiper with washer (2)
- Engine room hart (Seasmart)

Navigation Equipments

- Garmin radar
- VHF antenna
- Navtex antenna
- GPS & Auto pilot
- 16" Volvo glass cockpit monitor (2)
- 9" Volvo glass cockpit monitor
- 16" Volvo glass cockpit monitor flybridge helm (2)
- Tank gauges electronic display
- Chain counter (Quick)
- CCTV camera (3)
- Searchlight
- Electric horn (Marco with air compressor)
- Navigation lights (Lopolight)

Mechanical and Plumbing

- Volvo Penta IPS 1350 (2)
- Fuel filter (4)
- Engine room ventilation natural inlet & exhaust fans (CEM)
- Fire fighting system FM200 (Fireboy)
- Noise and fire insulation
- Interceptor system (Volvo System)
- Boiler (80lt) (Quick)
- Fresh water pump (Gianneschi)
- Bilge pump & floater (8) (Rule)
- HDPE (Fuel, fresh water, black water with indicators)

- Shower tanks and sumps

Electrical

- Custom electric panels
- C-Zone System
- Engine battery (6) (Varta)
- Generator battery (2) (Varta)
- Service battery (12) (Varta)
- Parallel battery
- Battery charger (MasterVolt)
- Invertor (MasterVolt)
- Marine type electric cables
- Shore connection plug, inlet & cable (15 m)
- Cabin switch & outlets
- IP 65 LED interior & exterior lighting
- Grounding plate

ACCOMMODATIONS & GALLEY

Master Stateroom

- Carpet with veneer trim
- Custom double mattress
- Leather sideboard, ceiling and cabinet doors
- Dressing room
- Storage drawers beneath bed
- Vanity desk with LED light detail, veneer and leather finish
- Chaise-lounge with LED light detail, veneer and leather finish
- Stainless steel custom trims
- Cabinet latches
- Veneer finished doors
- Air conditioning
- Reading lights over bed
- Custom leather/textile headboard
- Custom automatic black-out blinds

Ensuite Master Head

- Stone countertop with sink
- Faucet and rain shower
- Accessories (Toilet brush and toilet paper holder)
- Upper cabinet with mirror finished covers
- Custom LED lighting on both sides of upper cabinet
- Electric toilet (Tecma)
- Lacquer finished ceiling panels
- Furniture latches
- Cabinet hardware
- Veneer finished door
- Stainless steel custom trims

- Custom manual blind

VIP Stateroom

- Veneer or carpet flooring
- Custom double mattress
- Leather sideboard, ceiling and cabinet doors
- Full size cabinet (2)
- Storage areas beneath bed
- Stainless steel custom trims
- Cabinet latches (Sugatsune)
- Lacquer or veneer finished door
- Air conditioning
- Reading lights over bed
- Custom veneer or leather headboard
- Custom automatic black-out blinds

VIP Ensuite Head

- Stone countertop with sink
- Faucet and shower
- Accessories (Toilet brush and toilet paper holder)
- Upper cabinet with mirror finished covers
- Custom LED lighting on both sides of upper cabinet
- Electric toilet (Tecma)
- Lacquer finished ceiling panels
- Furniture latches
- Cabinet hardware
- Veneer finished door
- Stainless steel custom trims
- Custom manual blinds

Twin Stateroom

- Carpet with veneer trim
- Custom double mattress
- Sideboard and ceiling panels
- Drawer and storage areas
- Furniture latches
- Cabinet hardware
- Air conditioning
- LED lighting on floor and under ceiling
- LED reading light
- Veneer finished wall panels
- Veneer finished furniture
- Custom black-out blind (Somfy)
- Stainless steel custom trims

Guest Head

- Stone countertop with sink

- Faucet and shower
- Accessories (Toilet brush and toilet paper holder)
- Upper cabinet with mirror finished covers
- Custom LED lighting on both sides of upper cabinet
- Electric toilet (Tecma)
- Lacquer finished ceiling panels
- Furniture latches
- Cabinet hardware
- Veneer finished door
- Stainless steel custom trims
- Custom manual blinds

Galley

- Veneer finished kitchen
- Drawers and storage areas
- Electric hob (Siemens)
- Recessed hood (Siemens)
- Refrigerator with freezer (Siemens)
- Combination oven (Siemens)
- Dishwasher (Siemens)
- Ice maker (Vitrifrigio)
- Wine cooler (Vitrifrigio)
- Dishwasher (Siemens)
- Washer/dryer (Siemens)
- Stone countertop and walls finish
- Stainless steel sink
- Air conditioning
- Custom LED lighting over countertop
- Custom automatic black-out blinds
- Cabinet hardware
- Furniture latches
- Telescopic faucet (Blanco or equivalent)

OPTIONAL FEATURES

- Exterior entertainment system (JL Audio with Fusion)
- Interior entertainment system (Marantz)
- 16" Garmin monitor- Hi Bright LED with remote keypad (2)
- GPS and Broadband Radar (Garmin)
- NSO Marine processor with card reader
- VHF (Garmin 215i AIS and GHS 11 wired handset on flybridge)
- Autopilot (Garmin)
- Garmin CCTV camera (3) (Anchor, engine room and aft)
- 2x 17 kW generator with silencer (Onan)
- Custom tender launch system
- Sea bob storage at swim platform (2)
- Bow thruster (Side power)
- Sea-smart carbon fiber awning poles (4)
- Dedicated fender storage at bow
- Flybridge deck and flybridge helm
- Lounge side door
- Dometic water maker SeaXchange SXII 1200Z
- Dometic Spot Zero ZTCII Double Pass series water purifier
- Transformer gangway (Opacmare)
- Automatic lounge door (Opacmare)
- Pressure washer (Connection at bow, stern and flybridge)
- Empty dome (Satellite KVH)
- C-ZONE smart automation system
- Electric Somfy blinds fireproof with custom inserts
- Pyrotek sound insulation
- 16" Garmin monitor- Hi Bright LED flybridge (2)
- AC system with chiller unit (Webasto V-77)
- Williams Jet 345 Tender with launch mechanism
